We need you!

We have many committees in need of help. You can volunteer for one, or all, once a season or all season. Any help you give will strengthen and build our program. Please check all that you are interested in and our committee leads will reach out to you. All are welcome and any help you can give is greatly appreciated.

PREGAME MEALS: Prior to games, each team is fed a pregame meal. We need volunteers to help pass out these meals. Volunteers will need to report to the high school at 2:30pm. **Committee Lead:** JoAnne LaFerse redrobinlafrese@aol.com

FUNDRAISING: Fundraising is so very important for any booster club. Please help us to coordinate programs in order to raise funds for our growing program. **Committee Lead:** Cheri Morris: tobecheri40@yahoo.com

CHAIN GANG: You'll be on the sidelines, in the middle of the action, moving the markers. **Committee Lead:** Joey Theriot : joeytheriot1695@gmail.com

FIELD AND PREGAME PREP: We are so excited to have an awesome logo for our field. We need help to paint it on the grass, inflate the tunnel, and get our field ready for our home games. **Committee Lead:** Toby Davis: toby873davis@yahoo.com

PROGRAMS: Each year, fundraiser programs are made. We need help to find sponsors and to sell the programs at games. Can you help us spread the word about sponsorships? **Committee Lead:** Paula Patten: MrsPPatten@gmail.com

SENIOR NIGHT AND END OF YEAR BANQUET: Senior Night is a beautiful night to celebrate our graduation Mustangs. At the end of the season we also have a banquet for all Mustang Football players. **Committee Lead:** Kathleen Cucci: kathleen@cuccifamily.com

PARKING: Like all schools, LRHS charges for parking at Varsity football games. We need parents, preferably Freshman/ JV, to collect and count the money. **Committee Lead:** Amy Newman: newmanamy0@gmail.com
